WHS – Lecture Hall

Dr. Lupini began as Superintendent of Schools for the districts of Hampton Falls, North Hampton, Seabrook, South Hampton and Winnacunnet Cooperative on July 1, 2018.

He would like to engage with you as parents of the community. Your participation is valued as part of his entry plan work to gather feedback on:

- *What is working in our schools?*
- *What could we do better?*
- *What your expectations are for:
the school? the SAU? and the Superintendent?*
