Helpful tips for your student when passing through the serving line, these tips will help speed up the serving lines at lunch giving students the maximum time to sit, eat, socialize and rest before finishing their school day.

- 1, Please ask you student to memorize their student I, D. They will be asked every time to key it into our system. Tell your students not to share their student I, D. with anyone.
- 2, If your student is paying with cash to have the money out and ready to pay when reaching the cashier.
- 3, We do not allow students to charge any A La Carte items such as premium drinks, snacks, desserts or second meals.
- 4, If a student wants just a bottled water but does not have the money to pay for it, a cup will be provided so that they may fill it at a bubbler.
- 5, We respectfully ask that students do not put anything in their pockets, backpacks or hoodie until all their items have been paid for. With all the action during service these items can be easily forgotten.
- 6, Current monthly menus can be found on the WHS website under Foodservice.
