WHS Student Parking
Policies & Procedures
2023-2024

The privilege of parking a motor vehicle on the school campus is extended to juniors and seniors who are in good academic standing, who maintain a good disciplinary record, who have registered their vehicle with the school office and who have obtained a parking permit. Permits will be issued upon presentation of current registration (under student or immediate family member name), valid driver’s license and proof of insurance. Student drivers are expected to observe the following rules:

- **Students will maintain good academic standing and a good disciplinary record.** Please refer to the “Loss of Privileges” section of the Parent-Student Handbook. Students will abide by all rules, regulations and requirements contained in the Parent-Student Handbook. **WHS reserves the right to revoke parking privileges if the rules, regulations and/or requirements contained herein and in the Parent-Student Handbook are violated. The parking permit fee will not be refunded in the event of revocation.**

- **Vehicles must be registered and have the assigned parking sticker affixed on the middle front driver’s side windshield.** Vehicles without the affixed, assigned parking sticker may be subject to towing, off school property, at the owner’s expense.

- **Students may not park in staff numbered spaces, visitors, “No Parking Zone”, or numbered spaces in the Gym lot E.** There is no parking on the grass or dirt areas. Student vehicles parked illegally will be ticketed and subject to towing at the owner’s expense. Continuous violations will result in immediate loss of parking privileges.

- **All parking ticket payments are due within thirty (30) days of issue. The right to appeal ticket(s) expires after 30 days from issue.**

- **Students needing to permanently change vehicles must return their current sticker and secure a replacement sticker, with appropriate documentation. Parking privileges are not transferable.**

- **Students with parking stickers must sign in a vehicle being parked temporarily if the vehicle is different from their permitted vehicle. Make note of the assigned sticker number. Temporary vehicles must be insured and belong to an immediate family member.**

- There will be no loitering in the parking areas or outside the building. Students will enter the building upon arrival to school.

- Students are not permitted to go to a parked vehicle during school hours unless they have obtained permission from a school administrator.

- Students will not smoke in a vehicle while that vehicle is on school grounds.

- Safe driving rules apply at all times. Students will drive responsibly and at the posted speed limit, not to exceed ten (10) mph. Students are not allowed to drive on unauthorized school pathways. Reckless operation will result in immediate loss of parking privileges. Major violations will be reported to the Police Department for possible legal action.

- Vehicles will be locked at all times.

- The Principal reserves the right to search a vehicle if he suspects it contains anything illegal or dangerous.
