

Winnacunnet High School

SEABROOK — HAMPTON — HAMPTON FALLS — NORTH HAMPTON

8/15/23

Parents / Guardians,

Welcome Freshman and upperclassmen to Winnacunnet High School SY 23 – 2024.

The following are meal prices for the upcoming school year,

Breakfast is served from 7:15 – 7:40, break is served from 9:39 – 9:47.

Student breakfast is \$2.50, reduced breakfast is free.

Student lunch is \$3.75, reduced meal price is \$.40, adult lunch price is \$5.00.

We encourage every family to apply as soon as possible or at any time throughout the school year.

Applications for meal benefits can be found on the WHS website, the front office or at any cashier during any meal service. Applications may be dropped at the main office or emailed to ecomeau@warriors.winnacunnet.org to expedite the process.

Also, online applications can be found on the WHS website under Food services, once filled out submit your application and the Foodservice department will review, all families will be notified within ten business days of the of the application being received with the results.

The following are some helpful tips for your student when passing though the serving lines. These tips will help speed up the serving lines, giving students the maximum time to sit, eat, socialize, and rest before finishing their school day.

- Please ask your student to memorize their student I.D. They will be asked for it every time they pass through a serving line. Tell your students never to share their I.D. number with anyone.
- If your student is paying cash to have their money ready before they reach the cashier.
- We do not let students charge for a second meal, snacks, desserts, or beverages unless they are included with a meal.
- If a student wants a bottle of water but does not have any money to pay for it, a cup will be provided for a bubbler.
- We respectfully ask that students do not put anything in their pockets, backpacks, or hoodie until they have reached the cashier.
- Current menus can be found on the WHS website under Foodservices.
- We do not accept debit or credit cards, only cash. We have enclosed some information for MySchoolBucks. This is an option where a parent can go online and set up an account linked to the WHS Foodservice Department. Parents can put money in their students' account and every time a student makes a purchase the cost will be deducted. You will need to know your students' I.D. found on their schedule as well as WHS is part of SAU 21.
- If you have any questions, please feel free to reach out to me, my office number is 603-758-9261 or at ecomeau@warriors.winnacunnet.org.
