

February 2025

Good evening parents/guardians and students of the class of 2029,

Thank you for joining us for our course selection presentation. As mentioned, there is a link on the bottom of the main webpage to the “Class of 2029” website that will have more information on the course selection process <https://www.winnacunnet.org/>.

A few key important points to remember when selecting courses:

- 1) Students can select courses from February 13th- March 13th. Please remember it is not a first come first served basis. You can select at any time during this window.
- 2) You will log on to Winnacunnet High School’s PowerSchool portal to select courses. Here is the link: <https://winnacunnet.powerschool.com/public/home.html> . You can also find this link on our website.
- 3) To log on to PowerSchool portal– **USERNAME: STUDENT ID** (all students have an assigned ID. If you do not know your ID check with your sending school counselor).
PASSWORD: Welcome2WHS
- 4) When you are logged on to the portal, you will see that teachers made recommendations for your core courses. Please select these courses. When choosing electives, they do not require a teacher recommendation and you can choose those that interest you.
- 5) If you have questions about a recommendation, please speak to your current teacher and counselor.

If you do not attend a district sending school, please email our registrar, Karen Langmaid, klangmaid@warriors.winnacunnet.org, to begin the registration process.

We look forward to welcoming you to Winnacunnet High School!

Sincerely,

Winnacunnet High School Counseling Team
